

# Building a Sustainable Society

## Daiwa Securities Group CSR Report 2010 Highlight Edition

### What we can do

What will the world be like when these 35 babies become adults? The precious faces of these infants—all children of Daiwa Securities Group executives and employees—express our hopes for the future. At the Daiwa Securities Group, we are determined to take responsibility as individuals and to do our part as a company to create a sustainable society living in happiness and in harmony with an unspoiled Earth.
