

Daiwa Securities Group
CSR Report
2011 Highlight Edition
Building a Sustainable Society

What we can do

What will the world be like when these babies become adults?

The precious faces of these infants—all children of Daiwa Securities Group executives and employees—express our hopes for the future. At the Daiwa Securities Group, we are determined to take responsibility as individuals and to do our part as a company to create a sustainable society living in happiness and in harmony with an unspoiled Earth.

PASSION
FOR THE
BEST
