The total number of voting rights exercised is the sum of the number of voting rights exercised in writing or via electronic device (via the Internet, etc.) until the day before the Meeting and the number of all the voting rights which were exercised on the day of the Meeting.

Note 2. The requirements for approval of the above bills are as follows;

Bill 1: A vote in favor by a majority of the votes of the shareholders present at the meeting where shareholders holding a majority of one third or more of the votes of the shareholders entitled to exercise their votes at such shareholders' meeting are present.

4. Reason for not including some of the voting rights which are exercised on the day of the Meeting

We do not include some of the voting rights which were exercised on the day of the Meeting of which we could not confirm the result of exercise because all proposed bills meet the requirement for approval by totaling the number of voting rights exercised until the day before the Meeting and the number of voting rights which were exercised on the day of the Meeting of which we could confirm the result of exercise, and therefore, it is resolved in accordance with the Companies Act.
