

Allocation of proceeds

The proceeds from the Green Bonds issued by Daiwa Securities Group Inc. in February 2024 (issuance amount: ¥10 billion) were fully appropriated for eligible Green Projects.

See the table below for the balance of investment and loans for eligible Green Projects by category.

List of Eligible Green Projects (as of the end of May 2024)

Category	Sub-category	Commencement of Finance/Refinance	Finance/Refinance	Balance (units of ¥ billion)
Renewable energy	Offshore windfarm	May 2024	Refinance	100
		total		100
